HARRISON
INDUSTRIAL

WATERJET CUTTING SERVICES

ABOUT US

Harrison Industrial (originally Harrison Gaskets) specialise in the manufacture of all specifications of gaskets for every application. We also stock PTFE products, graphite rings, boiler spares, fibreglass braids, ropes and tapes plus much more. Harrison Industrial is also a distributor of Klinger products.

COST EFFECTIVE

We deliver custom professional services in a timely, cost efficient and honest manner.

CUSTOMER FOCUSED

Communication with our clients is key and keeps us alert to their changing demands.

RESULTS DRIVEN

Our team is skilled and are committed to helping you achieve your requirements.
